crux@bphc:~$ cat achievements.txt
```

Achievements

- 🏆 ACM-ICPC: World Finals - Team :(){ :|:& };;
- 🏅 codeCruXaders - 21st Rank @ Pune/Gwalior Regionals
- 🛡️ Highest Codeforces Rating - 1900+
- 🌐 GSoC 2025 contributors

```
crux@bphc:~$ crux run workshops --list
```

Our Contests & Workshops

- 🚀 Summer of CC (Competitive Programming Workshop)
- 🔪 Binary Battles
- 🕵️ CruXipher (CTF Contest)

See you at ATMOS!

```
crux@bphc:~$ cat summer_groups_2024.txt
```

Our Summer Groups

- Competitive Coding
- Web Development
- UI/UX Design
- Flutter
- Python
- Game Development
- Machine Learning

Our Projects

```
crux@bphc:~$ cat projects/ChronoFactorem/info.txt
```

ChronoFactorem

Helped 2.2k users make 3.2k timetables every semester. Hopefully helped you during and after registration.

github.com/crux-bphc/chronofactorem-rewrite

```
crux@bphc:~$ cat projects/Surge/info.txt
```

Surge

Introducing our very own CC platform, providing engaging problems, live leaderboards as well as resources to kickstart your CC journey!

github.com/crux-bphc/surge

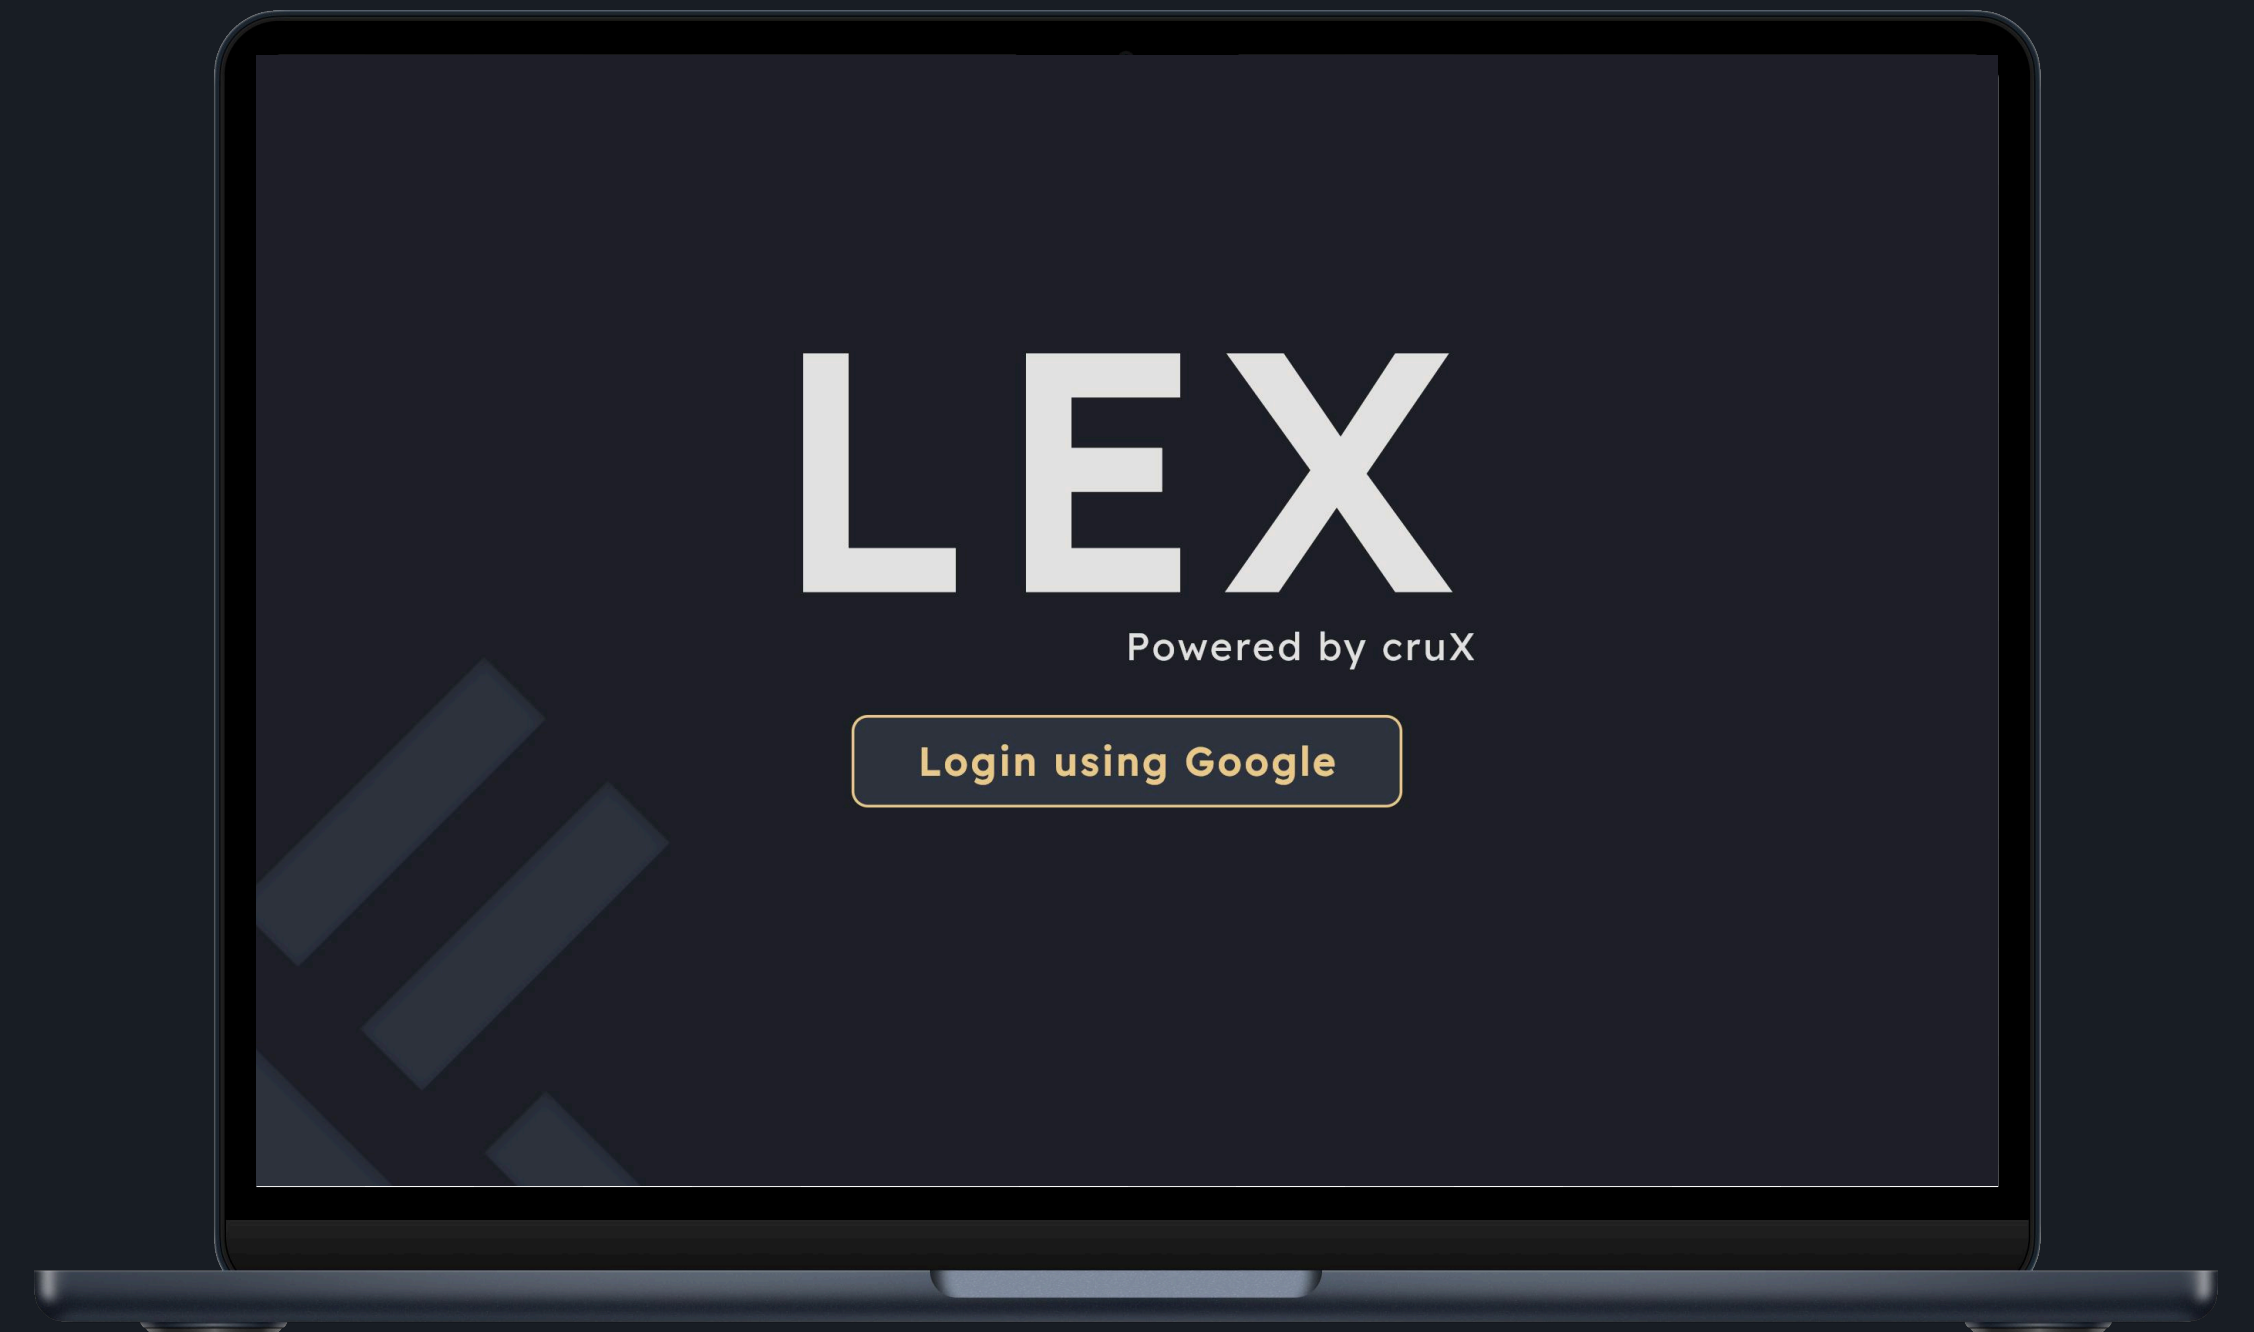

```
crux@bphc:~$ cat projects/Lex/info.txt
```

Lex

Watch recorded lectures with ease,
without any enrolled class
limitations. Used by over 1.6k
students.

github.com/crux-bphc/lex

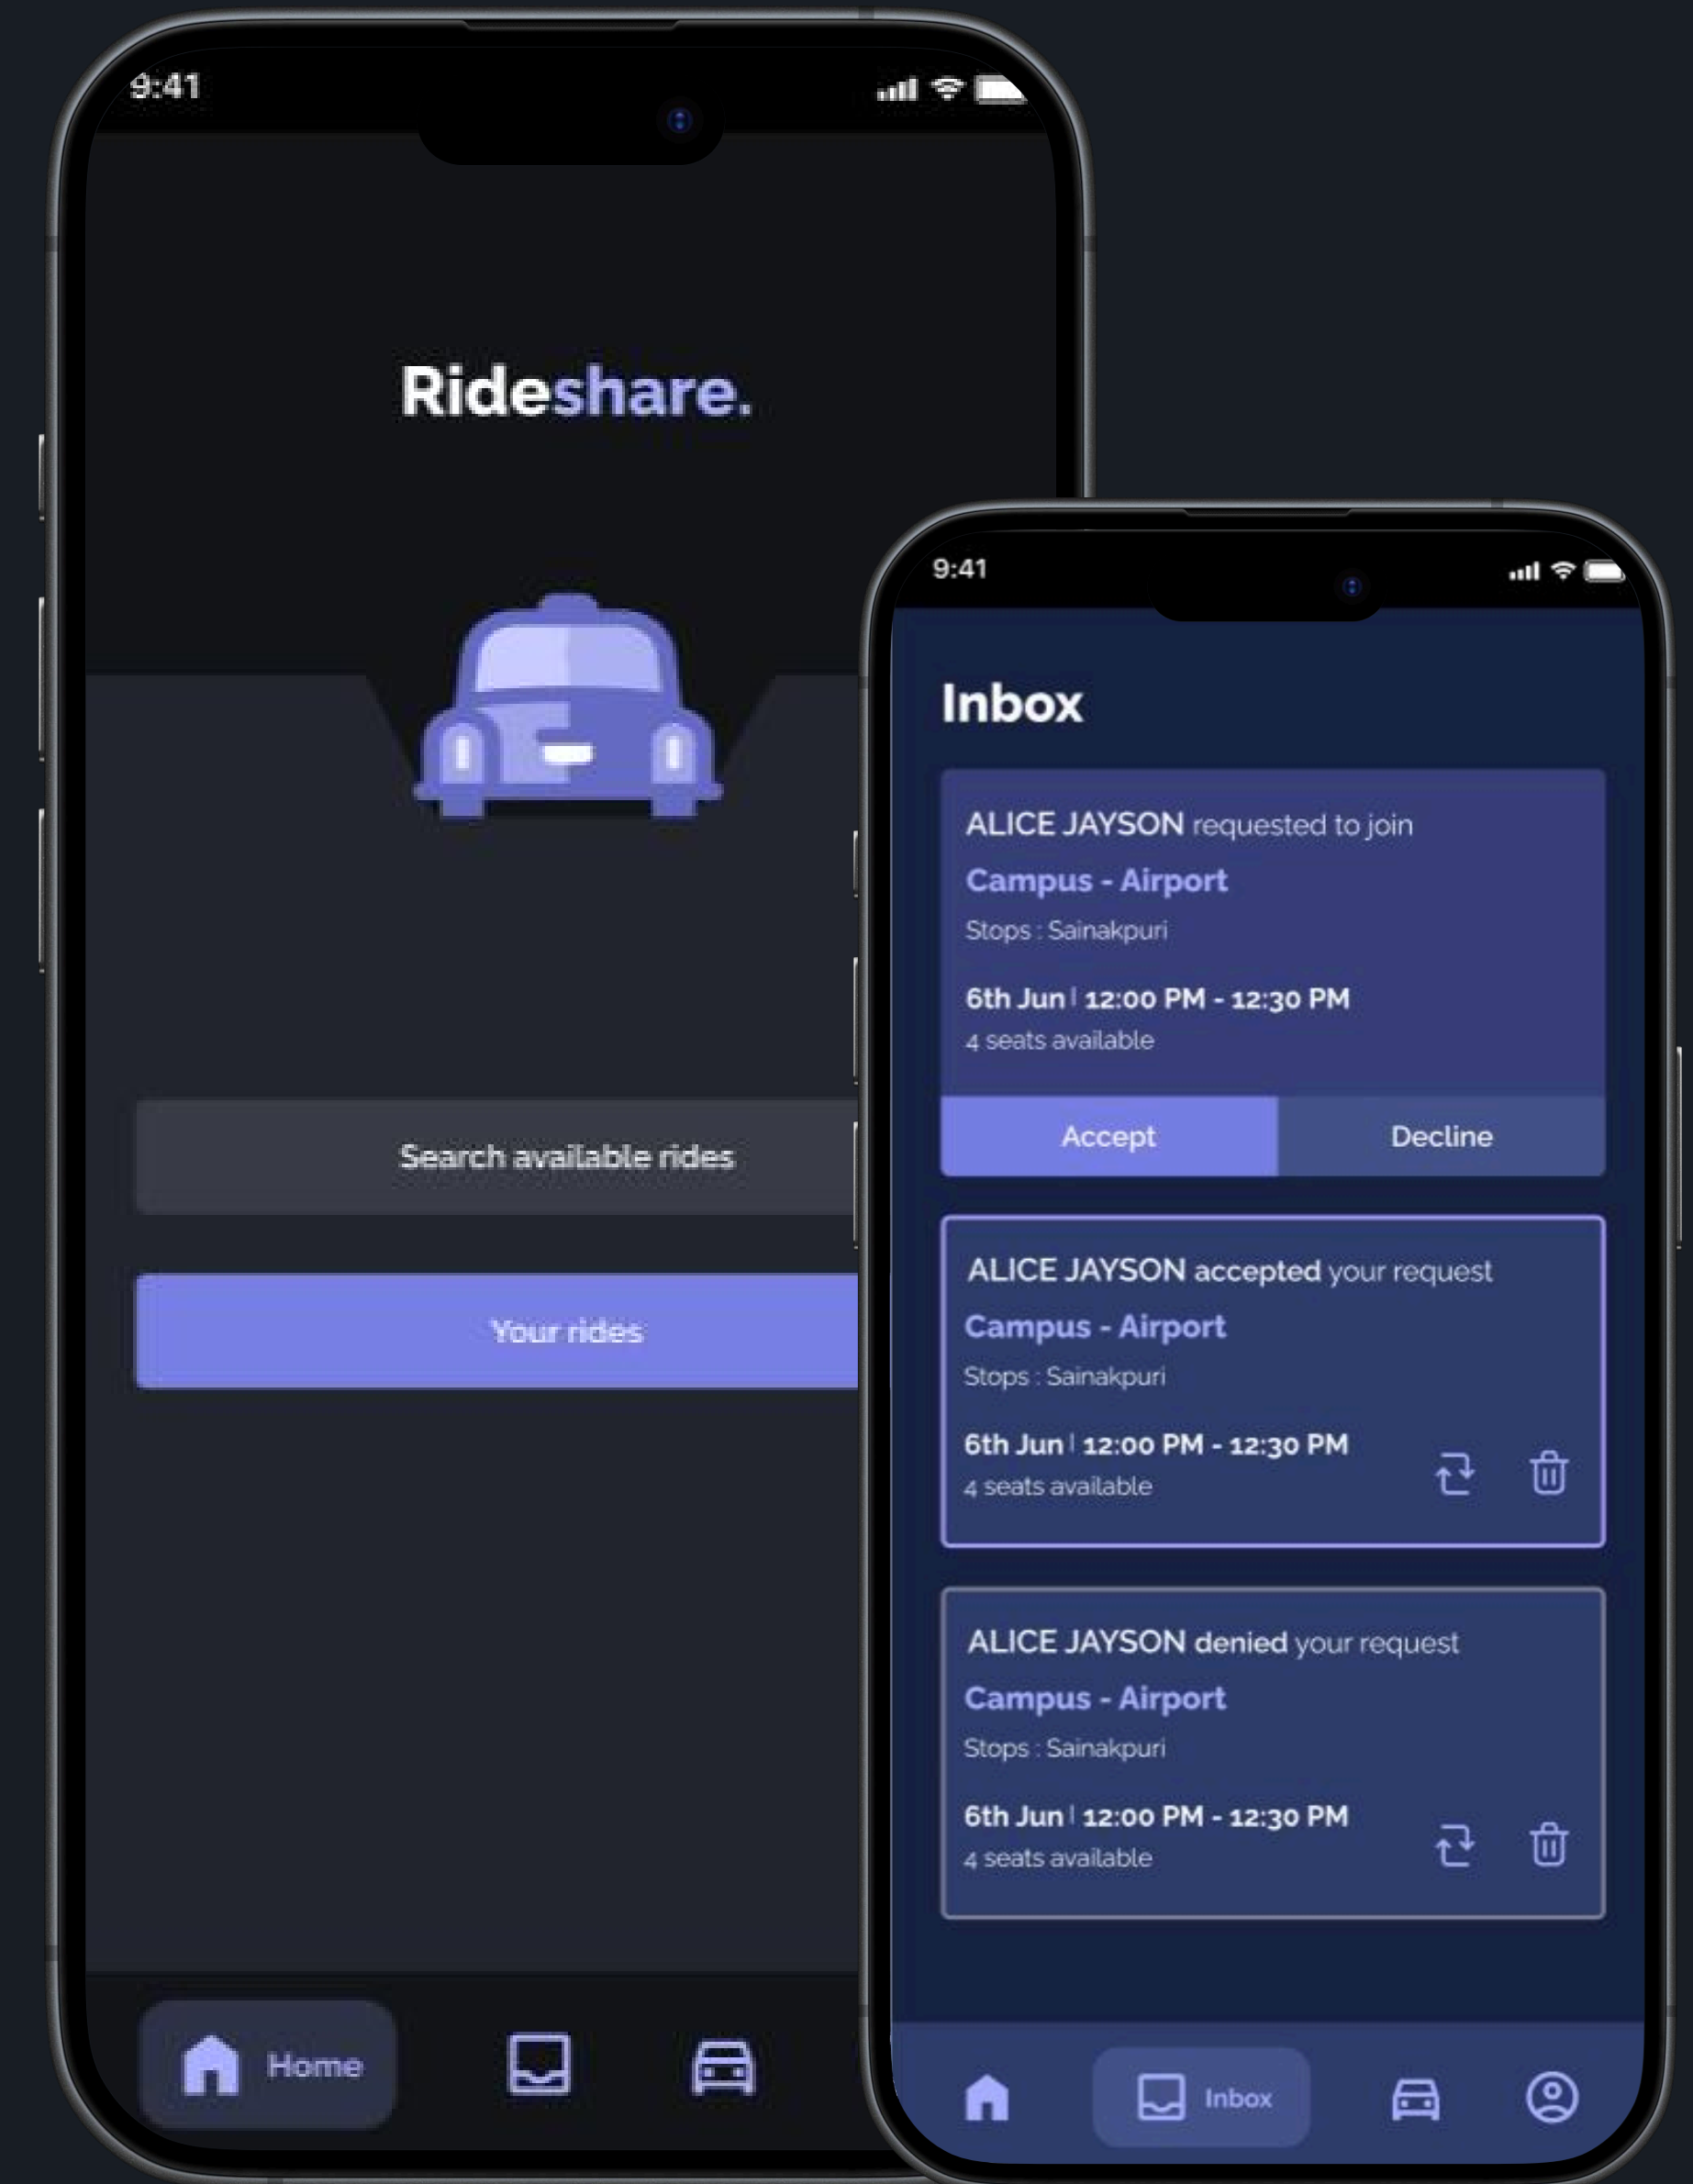

```
crux@bphc:~$ cat projects/Rideshare/info.txt
```

Rideshare

Say goodbye to the hassles of solo travel with our comprehensive app that seamlessly connects students looking to share rides to and from the campus.

github.com/crux-bphc/rideshare-frontend

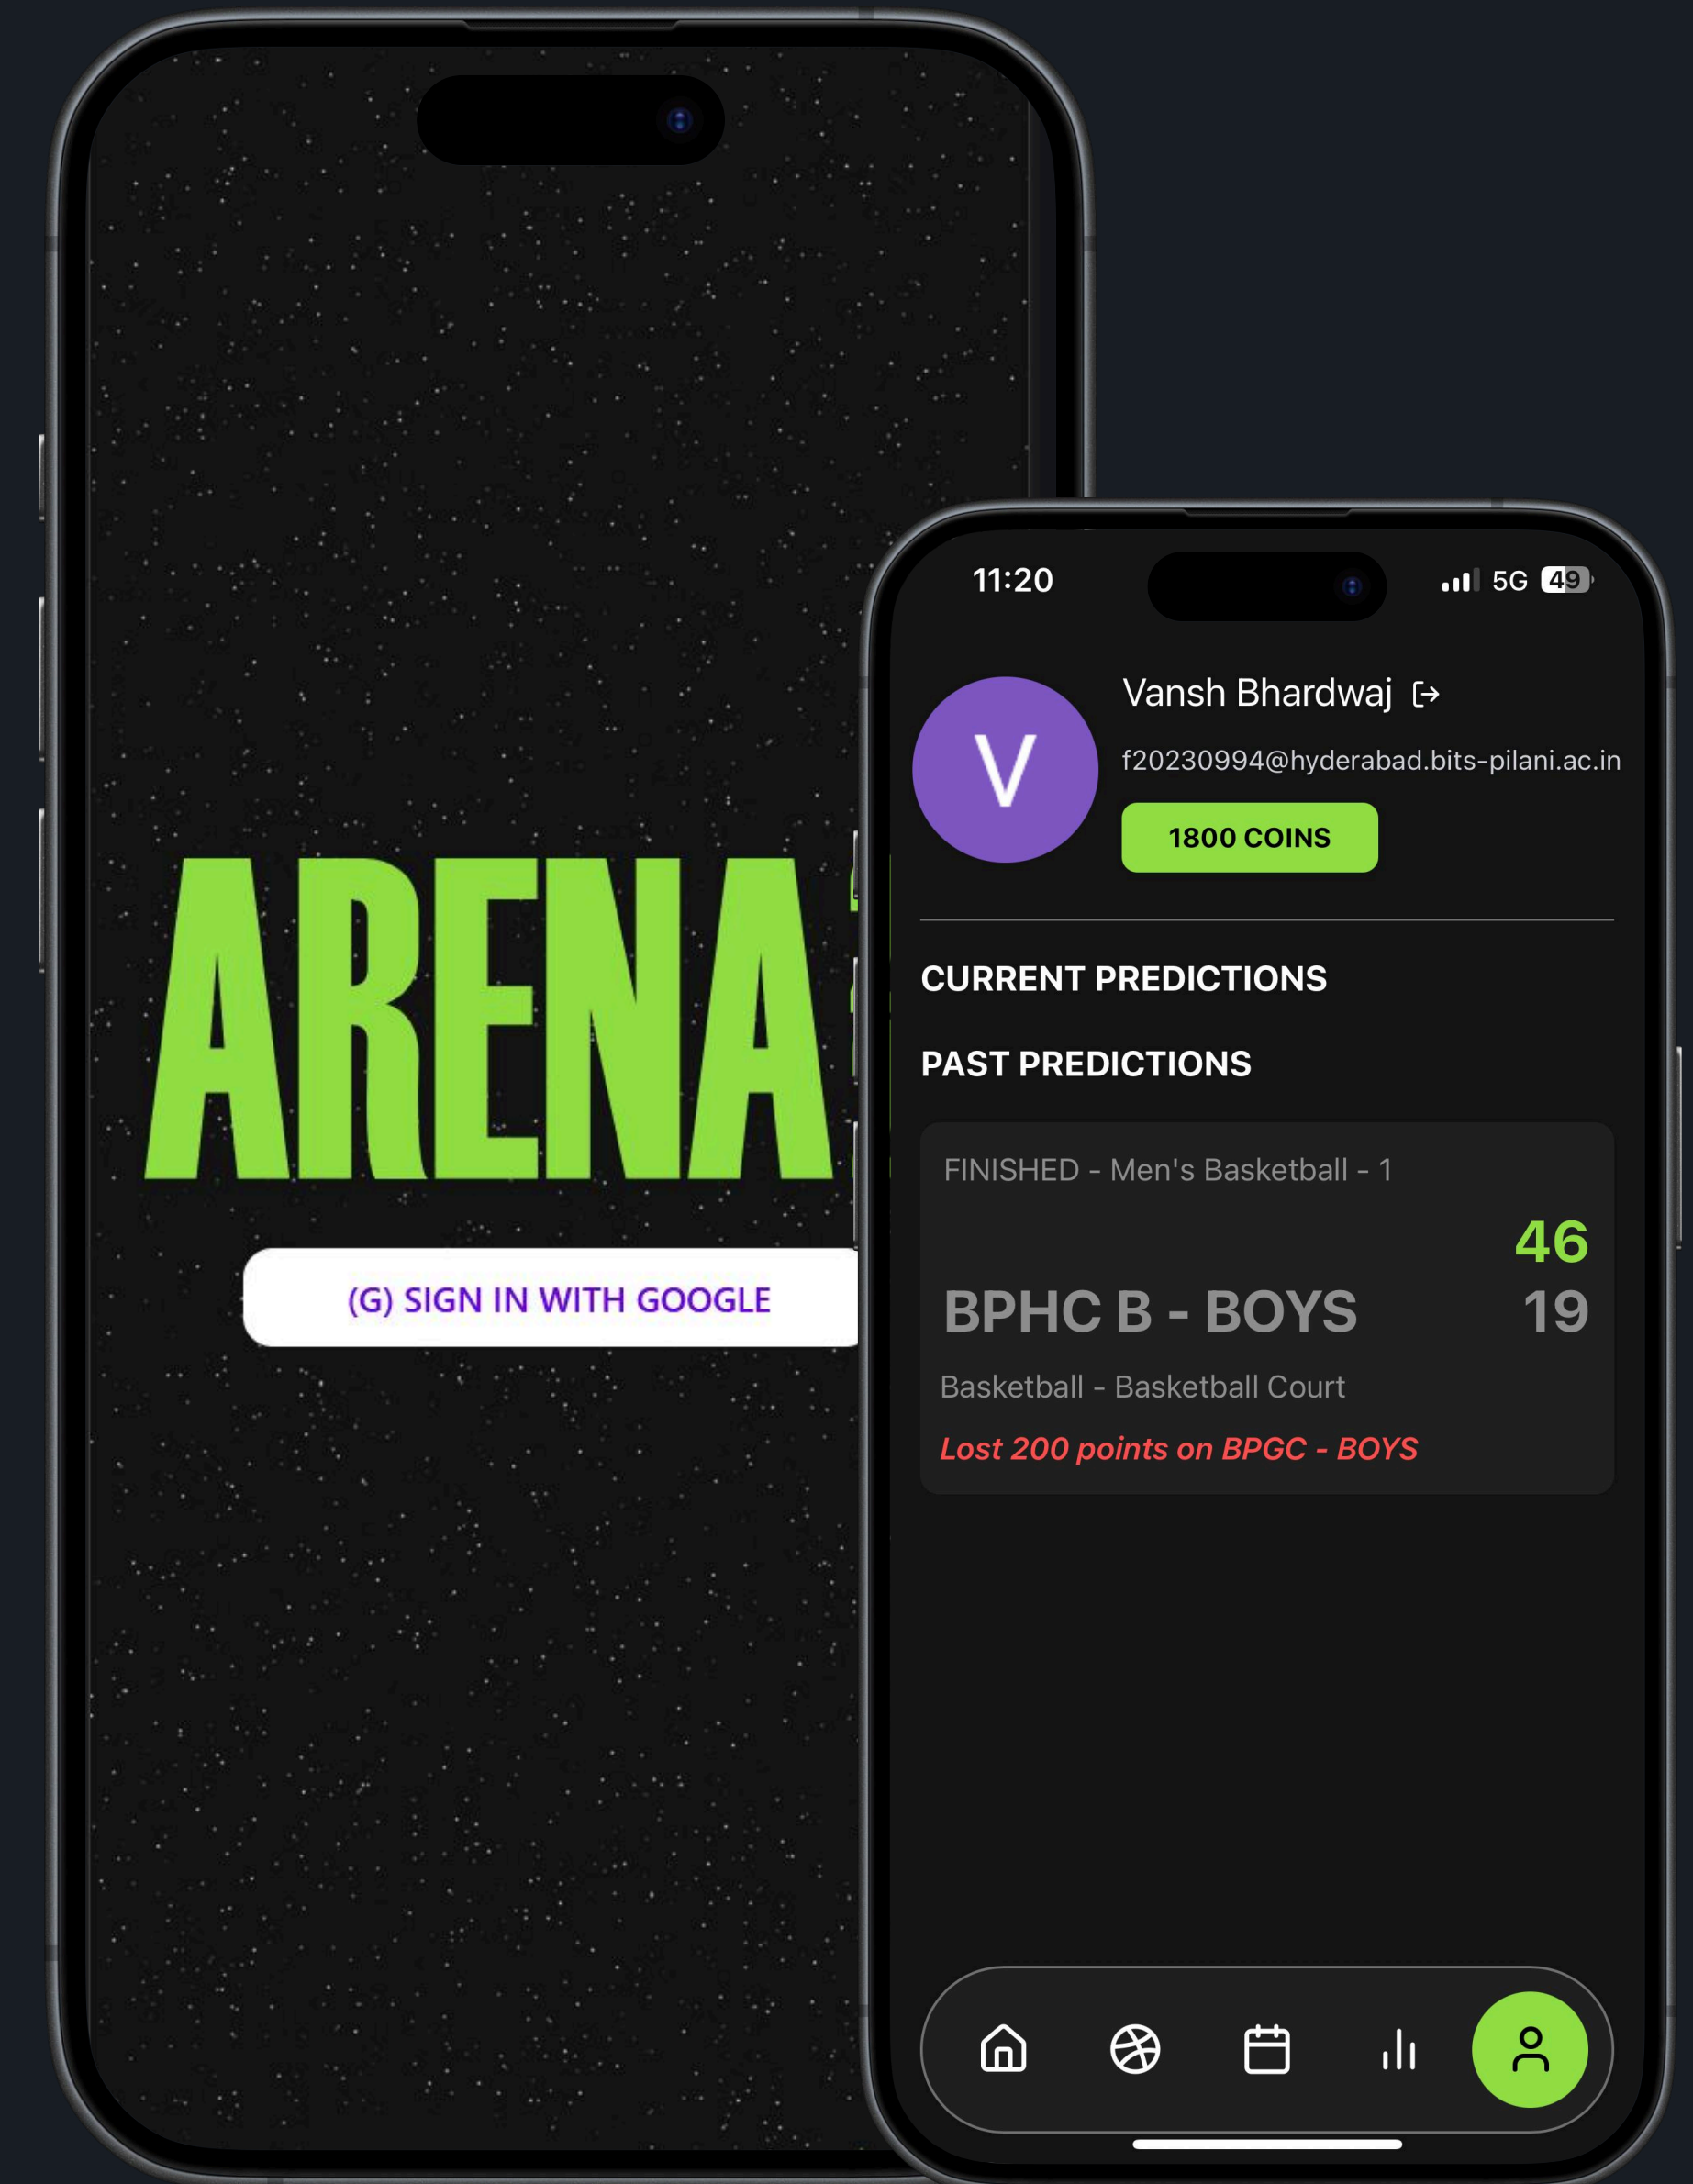

```
crux@bphc:~$ cat projects/ArenaApp/info.txt
```

Arena App

Track the scores of you favourite sports during Arena, from the comfort of your own room! Also implements a prediction based points system!

github.com/crux-bphc/arena-app

```
crux@bphc:~$ cat projects/Chronoscript/info.txt
```

Chronoscript

The beating heart of chronofactorem
with features such as free days,
prof preferences, recommendations,
etc.

github.com/crux-bphc/chronoscript

```
crux@bphc:~$ cat projects/SummerGroups/info.txt
```

Summer Groups 2024

Resources and Exercises we've put together for our annual Development Summer Group, aimed at helping you master the concepts in Web Dev, UI/UX and Machine Learning.

```
crux@bphc:~$ cat projects/Bootstrap/info.txt
```

Bootstrap 2024

Resources and Exercices compiled for Bootstrap Summer Group 2024, in order to guide people looking to learn Competitive Programming.

```
crux@bphc:~$ cat projects/SummerGroups/info.txt
```

Summer of Code 2025

Contests we've organized for our annual Competitive Coding Summer Group, aimed at introducing CC to new learners and engaging seasoned veterans

In Progress

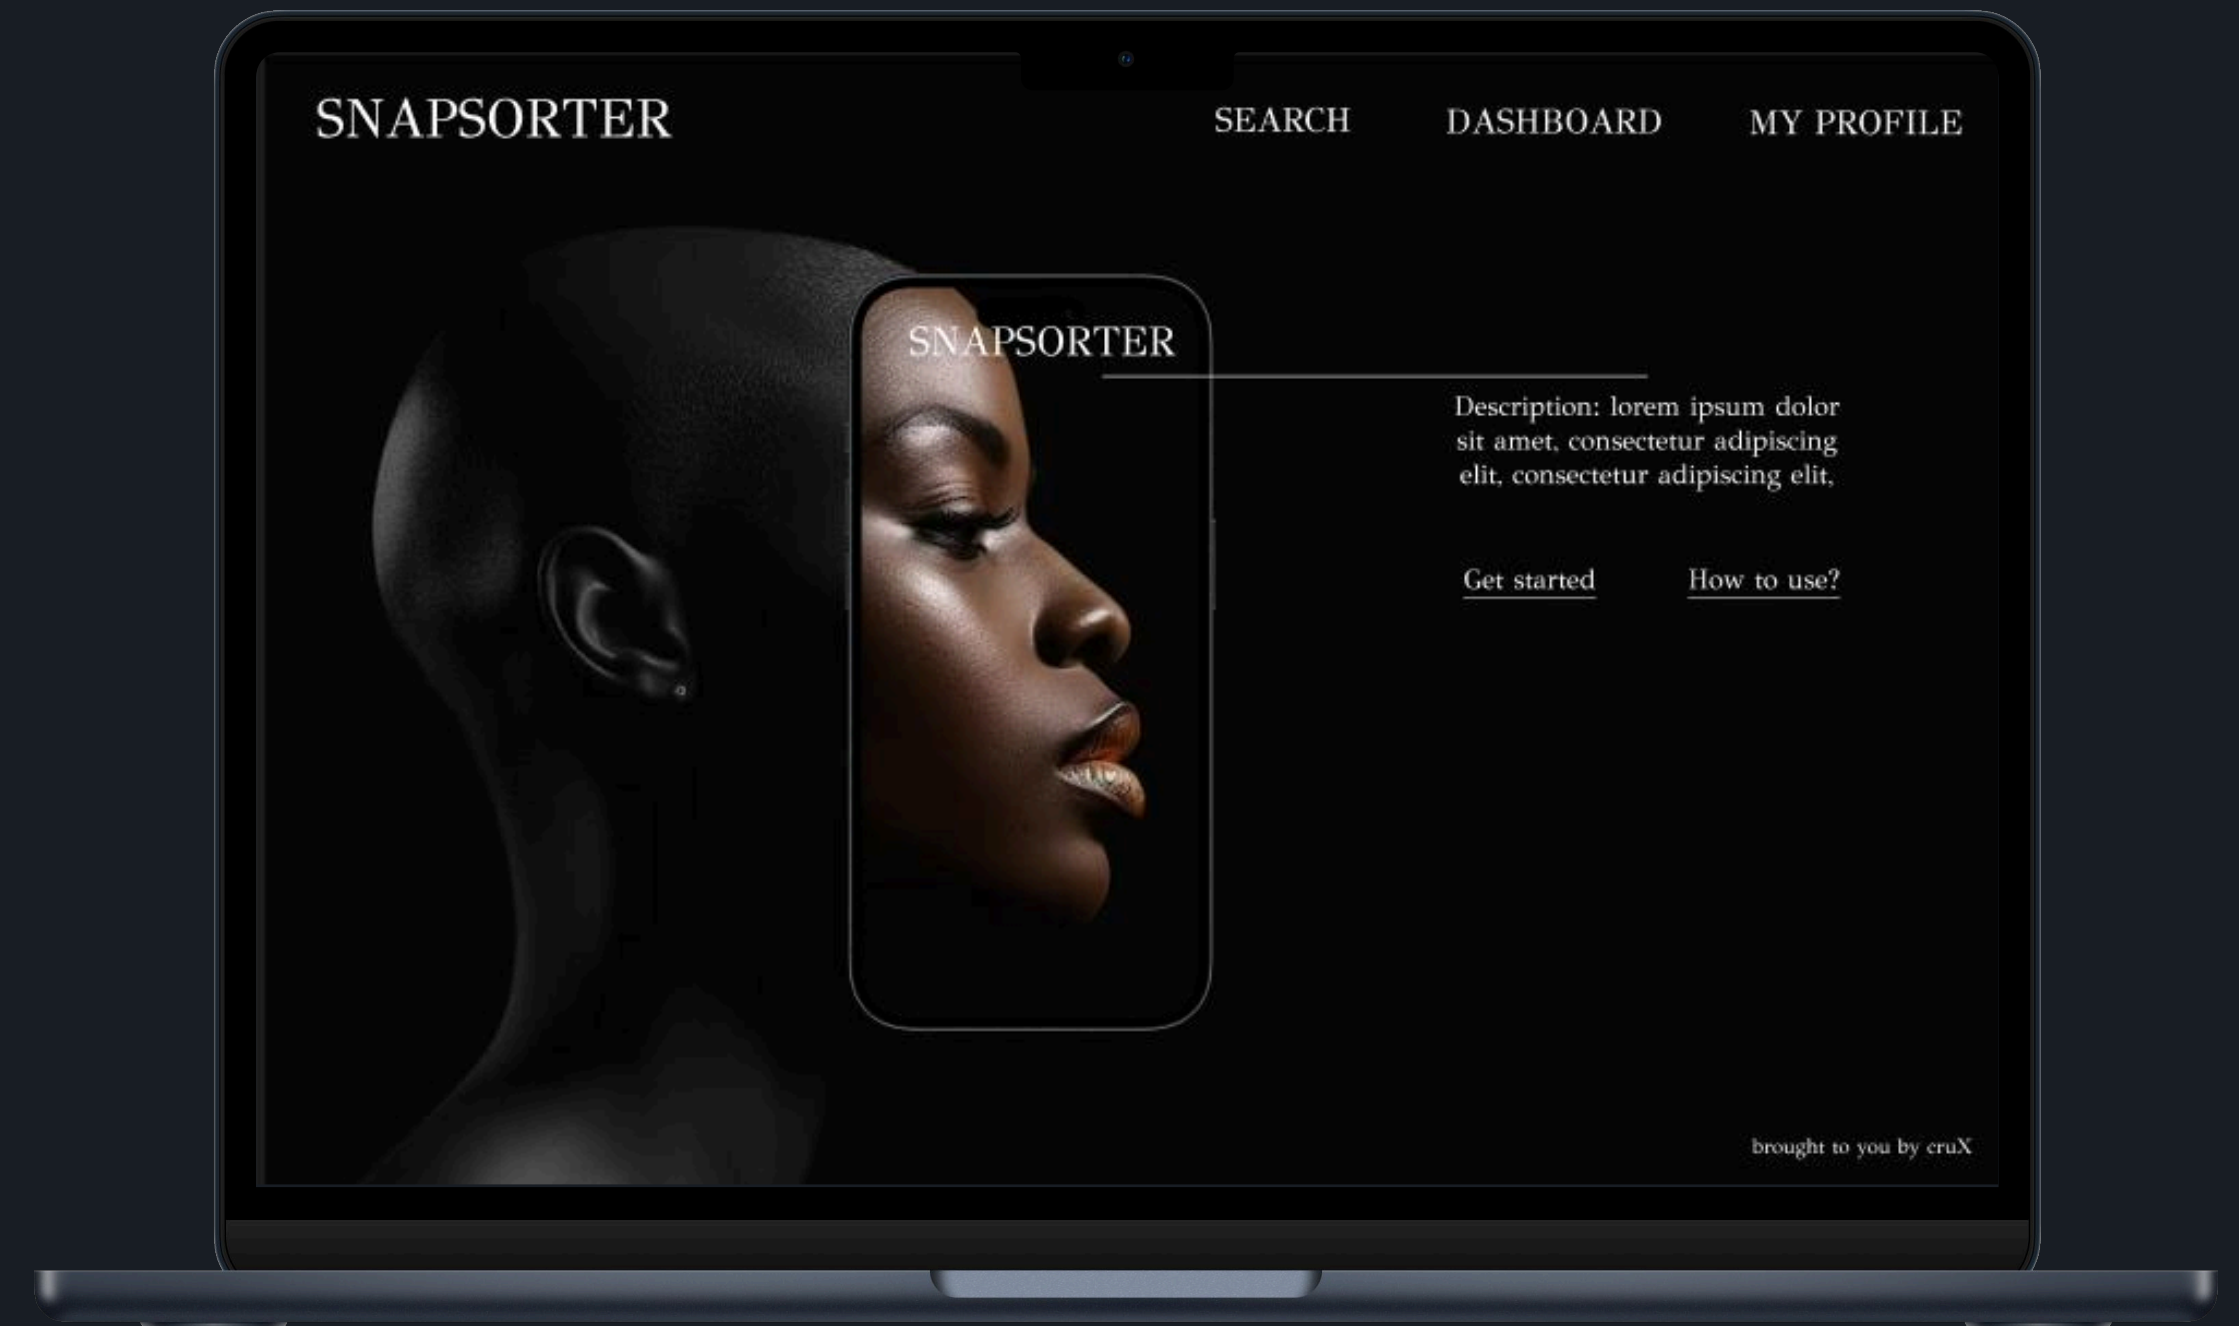

```
crux@bphc:~$ crux status --in-progress
```

Snap Sorter

Ever had to hound through the batchsnaps dump to look for pictures of yourself? Not anymore!

Introducing snapsorter, upload a selfie and it gives all the images you are a part of!

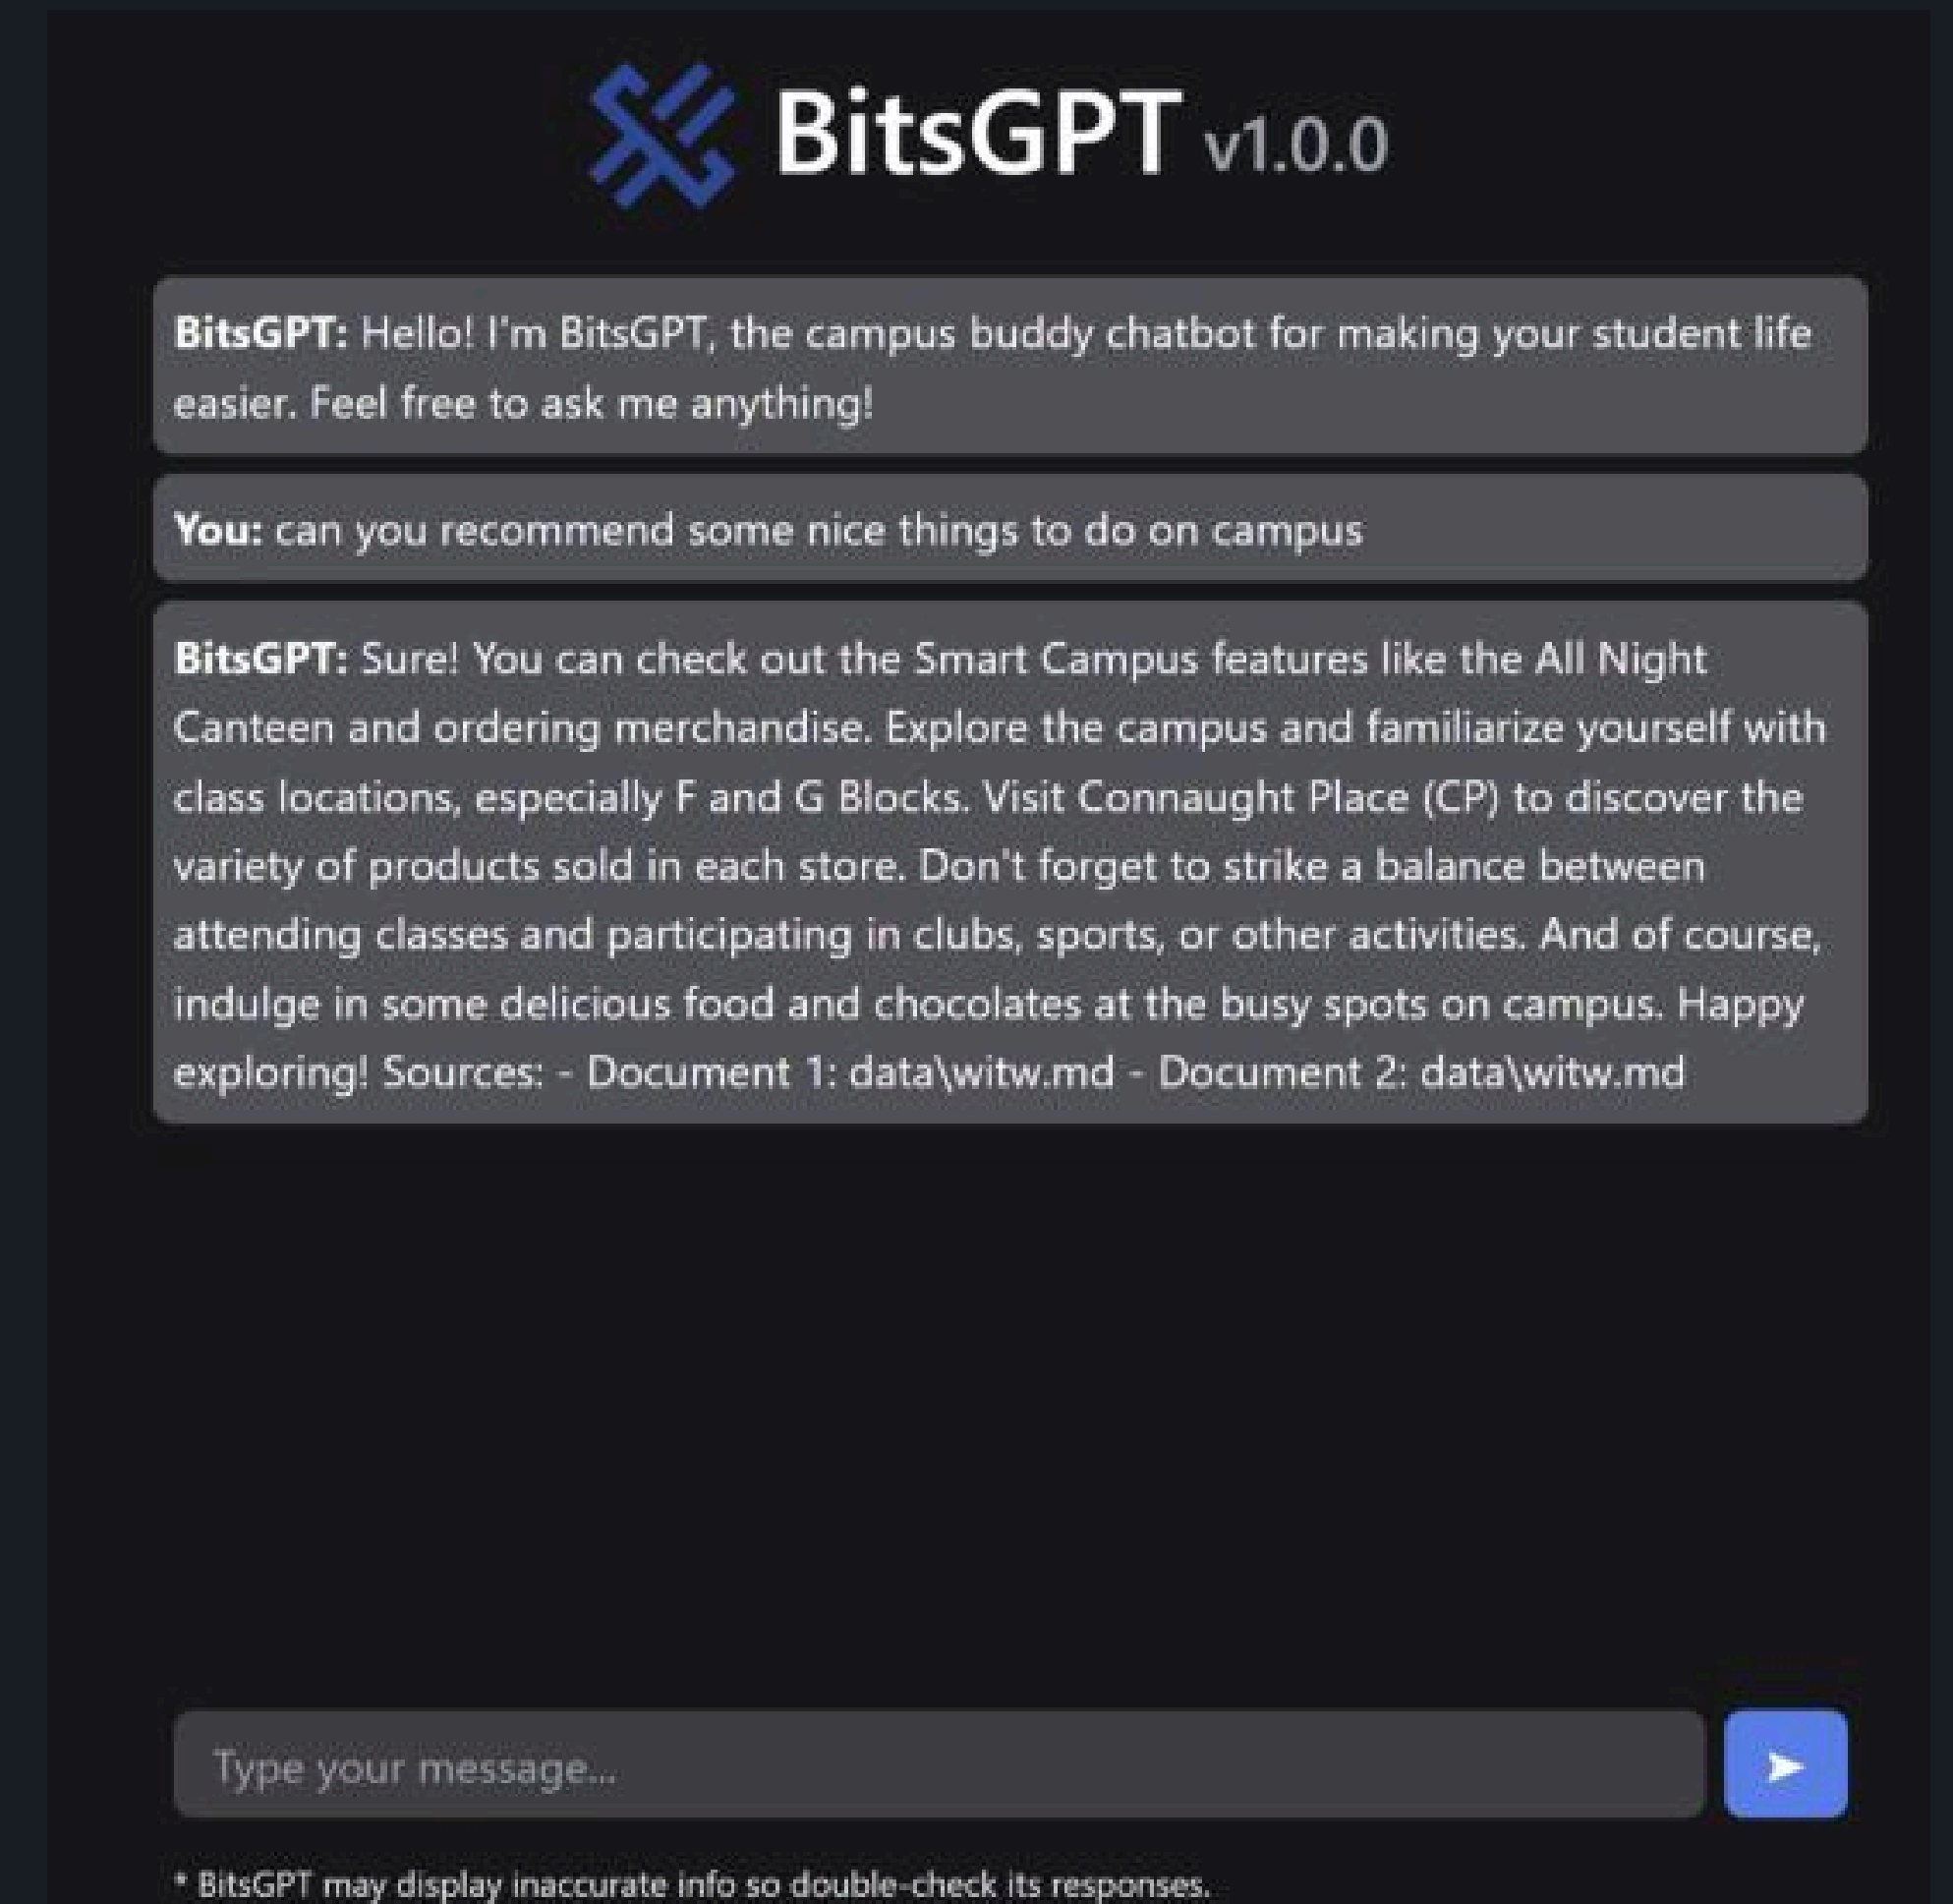

```
crux@bphc:~$ crux status --in-progress
```

BitsGPT

Your campus chatbot buddy for advice, resources and making student life easier.

```
crux@bphc:~$ crux status --in-progress
```

Others in progress

- Torrent Client → Rust-based torrent client
- Lumos → C++ OpenGL game engine

```
crux@bphc:~$ crux join --help
```

How to Join CRUX?

- CRUX **CC** → Competitive Programming contest
- CRUX **DEV** → Submit projects + interview
- CRUX **CTF** → CTF-style recruitment

```
crux@bphc:~$ cat skills_required.txt
```

Skills required?

- A love for programming
- Effort and curiosity
- We give feedback to help you improve

```
crux@bphc:~$ echo "Am I too late?"
```

Is it too late to start?

We hold Workshops year-round to help acquaint people with programming. We induct people from any year!

```
crux@bphc:~$ cat team.txt
```

Our PORs

Swastik Goswami

PRESIDENT

Zeeshan Valappil

DEV SECRETARY

Rittin Sehgal

CC SECRETARY

```
crux@bphc:~$ echo "Hope to see you at inductions :)"
```

Thank you for visiting our terminal!
